

Have a Technology Question? Call our FREE Support Hotline for Older Adults!

888-713-3495

Hotline hours: Mon-Fri, 9:00am-8:00pm ET • Sat, 9:00am-2:00pm ET

**Need help setting up an email account? Have a question about Zoom?
Looking for advice about buying a new smartphone, tablet, or computer?
Call the toll-free hotline from Senior Planet from AARP, where a patient
agent will answer your questions!**

You can also make an appointment for a personalized tech help session, or find out more about Senior Planet's FREE online and in-person programs. Join other older adults from across the country to sharpen your technology skills, take fitness classes, and contribute to our growing community!

Looking for Personalized Assistance? Sign Up for a Free 1:1 Tech Help Session!

Get extra help from knowledgeable volunteers on a variety of devices and topics:

- Computers
- Smartphones
- Tablets
- Smart TVs and Streaming
- Smart Watches
- Smart Home Devices
- Printers
- Cloud Storage
- Software

and much more!

"The Senior Planet Hotline has helped me with my computer, cell phone, and tablet to keep them running. I received good help along the way, and I wish they were around years ago!"

The staff have real answers and experience. Without them, I would be lost. I now have a number to call for computer or internet help that works. I'm glad they are there to give help."

-Fred T.
